

THIS IS YOUR EXCLUSIVE INVITATION!

# SELUXIT OPEN HOUSE

New office, new projects, new 3D printer, a furry stress manager, and living spirulina culture... we NEVER get bored at Seluxit.

We guarantee you won't either when you visit our new office.

## Guided tour

Let us show you our new office and tell you about some of our new projects along the way.

Light refreshments will be served.

Free parking in the row directly outside our front door as well as in the back lot behind the hedge.

## IoT Rapid Prototyping Demonstration

We'll show you how you can build your own IoT products. It only takes 10 minutes from sensor to dashboard.

### Dashboard

Fully configurable for a wide range of applications

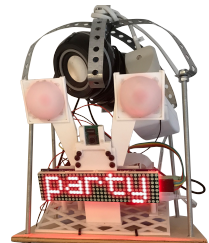

### Algae Demonstrator

Algae will help us save the planet, providing food and fuel

### Lunchroom AI

Is there cake? Lunch? Beer? Are there people in the room? Our lunchroom AI can act accordingly

### New Customers

Like our pro-bono work for the Danish Heart Foundation. We'll also tell you about Aduro's IoT enabled wood-burning stoves

### New IoT Products

Like SLX Heartbeat, AED status monitoring and SLX Sparrow, smart-meter modem supporting multiple sub-GHz protocols (e.g., LoRa)

**COVID-19 notice:** To avoid crowding, we have limited the number of guests. Face masks and hand sanitizer will be provided.
